

# Les Caves Richemer

Your stopover between land and sea

AGDE - MARSEILLAN

## Hippocap

Fresh and very fragrant  
Terroir

**Soil:** The Mediterranean coasts are principally made of tertiary sediments (sand, clay) and quaternary (pebbles).

**Climate:** Mediterranean with an influence from the Thau Basin providing a humidity and freshness so essential for making the finest white wines.

## Wine tasting

**Colour:** Rare, very light pink colour.

**Nose:** Intense and fresh, expressing beautiful fruity notes of grapefruit and blackcurrant associated with more exotic sensations such as ginger and lemongrass. A slight hint of pepper emphasizes the whole.

**Mouth:** Fresh, mild with a delicious presence from its initial impression to its finish.

**Recommended serving temperature:** Between 10° and 12°C.

**Perfect accompaniment with:** Summer dishes, Niçoise Salad, savoury Niçoise tart, tomatoes with basil, vegetables and grilled fish, Ratatouille and Asian dishes.

## Specifications
