Tempête de saveurs «Red»

Explosion of aromas

Terroir

Soil: The Mediterranean waterfront is mainly composed of tertiary sediments (sand and clay) and quaternary (gravel).

Climate: Mediterranean, influenced by the Etang de Thau which brings just the right balance of alcohol acid required for red wines.

Wine tasting

Colour: Deep ruby red.

Nose: Elegant with aromas of ripe red fruit, spices and leather. Complex and will. Deeply structured, it will appeal to amateurs of complexity.

Mouth: Concentrated but supple. Aromas of black cherry, blackberry, strawberry jam, black pepper, grilled coffee beans, sweet liquorice and vanilla.

Recommended serving temperature: Between 16° and 18° C.

Perfect accompaniment with: Red meat in sauce, cooked games and strong cheeses. Should be decanted beforehand.
